Vacation Reports Pouring In From All Over State, Nation

(Alice Perkin will be back in a few weeks, and while she is gone I will be writing the column for her, so don't forget to jot down the new number.)

Last Sunday Knott's Berry Farm was again visited by two families from the tract. Mr. and Mrs. Ed Osborne, Clark and Judy of 1208 Maple Ave., and Mr. and Mrs. Roland Petrat, Steve and Bobby, of 2942 Opal St. all enjoyed the activities, the ghost house and the children are still talking about the train robbery and the new addition of "Old McDonalds Farmyard." After returning home, the two families got together for a barbecue at the Petrat's home.

Jack Hayton, son of Mr. and Mrs. Tom Hayton of 805 Kornblum, spent a week in San Bernardino visiting with his grandparents. While there, he was able to go and visit the Indian reservation.

Girl Scout Troop 1293 is ready to choose their senior program. At their last meeting they had one member, Barbara Cage, representing the Mountaineers Troop 1277 from North Torrance and other representatives from the Mariners Scout Ship, L'Adventure, Troop 634 from Lomita. Attending from the Mariners were Mrs. Harold Carpenter (skipper), Charlene Farrar and Penny Goethals (members). After listening to both of the representatives, the girls of Troop 1293 will choose their program at the end of summer. They do not have regular meetings during the summer but they get together once a week and go swimming and eat their lunch on the beach. There are several openings for some girls in this Scout troop and a young girl 14 years of age or in the 8th grade who is interested can call either Mrs. Osterlind, FA 8-1729 or Mrs. McCray, FA 8-2474.

Mrs. Nils Moore of Walteria entertained the bridge group of the Torrance Juniors at her home Wednesday evening. Attending from the tract were Mrs. Marge Stevens, Mrs. Jean Beecher and Mrs. Dorothy Penner. Others present besides the hostesses were Mrs. Susie Allen, Mrs. Irene Day, Mrs. Hazel Williams, and Mrs. Edna Lires. Mrs. Day won first prize and Mrs. Stevens took second.

Joe Penner and girls, Sandra and Linda, of 1216 Teri, returned home last week from a trip to Auburn, Calif., where they visited with Penner's father. The girls swam every day in the Wolf River and had a wonderful week of fun and relaxation.

Roy E. McCray, 10, of 1121 Cranbrook, is not spending his summer vacation the way he originally planned. He is in Harbor General Hospital suffering from a compound fracture of the left leg. He is in traction and will be for six weeks. I'm sure he would enjoy hearing from all his friends. His address is Harbor General Hospital, Ward C-8, Torrance. Send Roy a card and cheer him on to a speedy recovery.

Carla and Chuck Osterlind, of 2813 Sonoma, have had house guests for a week. Mary Louise and Bradley Skidmore of Los Angeles arrived July 4 and the four of them were busy swimming, bowling and enjoying the sun at the beach.

Mr. and Mrs. Hank Burrows of 2938 Opal and Mr. and Mrs. Harold McGuffin of 1228 Maple Ave. have returned from a 10-day camping trip to Lake Jimie in Sequoia Park. Both families took trailers and besides camping enjoyed swimming, boating, and horseback riding. The Burrows' two girls, Candy and Susie, and Larry McGuffin accompanied their parents on the trip.

Mr. and Mrs. William Breaker and children, of 821 Teri Ave., have returned from a memorable trip to Florida, where they attended a reunion of Mrs. Breaker's family. At the St. Petersburg reunion was her sister, who arrived from Teheran, Iran, along with the rest of her family. While in Florida they also visited in Tampa, St. Augustine and the Cypress Gardens. On the return trip they stopped off in New Orleans for a day and then went on to the Grand Canyon. The Breaker children will be talking of this trip for a long time to come.

One more vacation — Mr. and Mrs. Walter Bullock, of 1325 Teri Ave., returned home last Saturday from their vacation to Yosemite and I think they were glad to return after they witnessed a rolling earthquake that scared all of them. The Bullocks' four children and a friend accompanied them to Yosemite. They rented a trailer and camped in the great outdoors. If you think a house can shake through an earthquake you ought to be in a trailer.

Please don't forget to call me about any sort of news and events that take place on your street or to yourselves. The number again is FA 8-6397.

1 AUTOMATIC ICE-SERVER! Only Servel makes and serves ice-cubes automatically. It keeps a basket filled with ice cubes. You can use as many as you want any time. Ice-Server replaces ice cubes you look without your doing a thing!

2 SILENT GAS OPERATION! Only in the Servel does a tiny gas flame make ice and cold. It takes the place of a motor and moving parts. This means no buzz, hum or rattle — just permanent silence and continuous cold. No costly wear.

3 10-YEAR WARRANTY! Only with the Servel Gas Refrigerator do you get a 10-year warranty. This is twice the length of the warranty you get with any other automatic refrigerator. Only the Servel Gas freezing system is so trouble-free!
